**WHY:** All proceeds benefit the Community Youth Center (CYC), a state-of-the-art sports and academic center where youth ages 3 to 18 thrive in a dynamic and positive environment. With more than 1,200 members, this non-profit organization offers 10 sports and recreational programs, and an academic center.

The goal of the CYC is to teach youth basic core values for developing confidence to become good people with high character.

For only \$20 a month, kids learn, work and play together in a safe, first-class athletic facility that truly provides a sense of "community." CYC also offers family discounts and scholarships for those unable to afford the monthly membership fees. In addition to recreational programs, CYC offers competitive team training opportunities for those hoping to excel at a higher level. The recreational and competitive programs are offered year-round with extra weekly camps throughout the summer.
